

**SARAH'S CREEK**  
SOUTH AFRICA

## Premium Sarah's Creek Chardonnay

The Robertson Wine Valley produces exceptional Chardonnays that are grown on limestone soils in the area. Chardonnay on these specific terroirs creates a wine with exceptional citrus and mineral notes.

Our Chardonnay is vibrant and elegant with a touch of oak. The palate reveals peach blossom and pear aromas. Fresh apples and citrus notes on the nose with a smooth creamy finish.

### Analysis

Alcohol: 13.88%      Acidity: 6.8 g/L
